

*Mary, Thank you so much for doing a superb job of icing the Wedding Cake, It was exactly as I wanted – although I couldn't have described it. It was so pretty and elegant, your wonderful talent was very much appreciated. Fionnuala.*

*Mary, Never was a cake so much admired...photographed and appreciated...so much so that there was a great reluctance to cut it at all...in fact we could have sold tickets to neighbours and friends to come in and view it...(why didn't I think of that before now?) Anyway I want to pass on my gratitude and congratulations to you for all the time you must have put in to create such an amazing cake. J & I*

*Dear Mary, Many thanks for icing the cake for me, it was really beautiful and everyone was raving about it. *Hi Mary, Well after collecting the cake from you on Thursday, i was giddy with excitement driving back home. I couldn't wait to show it to someone. Everyone who saw it were amazed at the detail and asked did you ever met Kieran, cause it was him to a tee. The cake brought such fun and awe that we didn't cut it at the party. The consensus was to preserve it for as long as possible. Well we didn't, it was devoured on Sunday after a family BBQ back in our house and how yummy and moist it was. So Thank you, thank you, thank you so much for the wonderful craftsmanship. Kieran loved it and it firmly placed me in the Best Girlfriend of the Year Award. You have secured a legion of fans and if his mother has her way, you'll be receiving an order for an engagement cake shortly!!! Eternally grateful Laura*
